Intimate and Exclusive Weddings

Cuckney House is an irresistibly romantic small wedding venue for up to fifty guests, and our approach allows you to curate a wedding that is unique to you.

The beautiful Georgian Manor has four reception rooms, a Panelled Ballroom, private landscaped gardens and a walled Garden to create the idyllic backdrop for your special day.

When it comes to accommodation, your guests will have the run of the house and its fifteen bedrooms, sleeping up to forty guests in total. We also have nine holiday cottages on the estate which can be hired separately for any additional guests.

The Ceremony

Civil Wedding

Cuckney House is licensed to hold civil ceremonies in our small Edwardian Garden Pavilion, Walled Garden, Dell, Drawing Room, Dining Room or stunning Panelled Ballroom.

Church Wedding

Located in the nearby village of Cuckney is the Grade I listed Parish Church dating back to the 12th century, only a 5 minute walk away from Cuckney House. We will happily put you in touch with the friendly local vicar.

Celebrant Wedding

A celebrant will create a bespoke, meaningful non-religious ceremony, and you have full flexibility to choose from our many romantic locations, including the Panelled Ballroom, Private Woodlands, or Walled Garden.

The Reception

The landscaped gardens are idyllic for reception drinks, or you can choose from the bar or drawing room. The Wedding Breakfast can take place in the elegant Panelled Ballroom, which seats up to fifty, or the Dining Room, which seats up to twenty-eight guests.

If you prefer informal outdoor dining, you could hire outdoor heaters and create a fairy-lit heaven in the Walled Garden dining area, which seats twenty.

We also have a marquee that can be hired at an additional cost. The house and its five acres of grounds are exclusively yours during your stay, and depending on which package you opt for, you could have full use of all facilities, including the games room, tennis court, two hot tubs, table tennis table, and badminton court.

The Panelled Ballroom is a great disco/dance floor area, and the music can continue until 11 pm.
