# DIRECTIONS - HARLEY ART TRAIL

 Please follow the yellow trail signs

1. Start this walk in The Courtyard at Welbeck at the two-horse sculptures by Harley Studio Artist Michelle Reader. From here, walk through the gate at the end of The Harley Gallery and carefully cross the road at the back of the gallery, turn left and head along the path.
2. Follow the path dotted with five metal trees and five interpretation panels by Artist Martin Smith. Please note this walk takes visitors across the A60.
3. At the end of the art trail, pass through the gate into Creswell Crags car park. A footpath runs along the left-hand side of the car park to the visitor centre. From here, you can explore the visitor centre or follow the signs to the gorge.
4. Once you have visited Creswell Crags, you can return the same way you arrived or extend your walk and discover the Creswell Caves walking route.
